***Reflects the AGM decision regarding representation of amalgamated locals.**

That until the investigation of representation is complete and the amalgamated and non-amalgamated locals are treated equally, if locals amalgamated in or after 1996, the formulae for determining representation and voting cards as set out in procedure statements 25.B.02 and 25.D.02 shall be applied to the amalgamated local so that it is entitled to the total representation of the former locals as though there had been no amalgamation.
